

The Bustling Brick

The Brick Hotel On The Circle Newsletter
Volume 10: March 2010

IS THE SNOW GONE YET?

I hope that by the time you are reading this all the white stuff has disappeared and we are all looking forward to enjoying some better weather! As a new business owner, I learned very quickly how financially devastating being shut down for several days can be, and thanks to the many "Lynn, is the restaurant or bar open today?" calls from those experiencing cabin fever, I can guarantee you we'll be better prepared the next time around, and will be open and ready to serve you!!

INN-SIDE NEWS

I very carefully scheduled a week-long getaway for Ed and I in February at a time when absolutely nothing was going on in the Inn. Long story short, over 30 people ending up staying with us while I was gone. I am convinced, now, that I need to go away more often!!

The Valentine and Oyster Eat celebrations, together with the weddings, showers and meetings we had on the books, kept *The Brick* bustling. In our spare time, we've been scheduling some exciting stuff for the upcoming months. So take a look – and join us as we continue our efforts to provide quality entertainment and events right here in the heart of Sussex County!!
