

The BRICK HOTEL ON THE CIRCLE

Memory Receptions & Survivor Gatherings

Having personally lost my mom, dad, and brother, I understand how overwhelming these days are for you. There are so many decisions to make, and on top of them all, you want to make sure that the celebration of your loved one's life is yet another memory you can hold on to forever.

I would welcome the opportunity to help you do that, and have developed a menu of services that will remove the worry of the details from your list of things to do.

While your loved one is no longer with you, may the memories you have strengthen you. With every bird that sings, with every breeze that blows, remember they are with you, watching over you.

Perhaps they are not the stars, but rather openings in Heaven where the love of our lost ones pours through and shines down upon us to let us know they are happy.
