- **THE PUBLIC SQUARE:** This is an elegant room, complete with two gas fireplaces, and beautifully carpeted floor that is bordered with circa 1836 flooring that we've had re-milled. This room is located right next to Moose & Tini's. Eventually, we'll be able to close it off; but for now can offer it as a private, but not confidential, space. It is also equipped with state-of-the-art technology.
- **MAIN RESTAURANT - The Tavern On The Circle:** Our dining room has dark blue plush carpet and is lighted with beautiful aged chandeliers that were original to this building when Wilmington Trust owned it. Our restaurant is a flexible space and can be dressed up or down depending on your desires.
- **THE GARRETT:** This private space is located in the restaurant, accented with pocket doors.
- **THE UNION:** Located in the rear of the restaurant, this room is equipped with state-of-the art technology, with two windows overlooking West Market Street. This is the perfect room for meetings and training sessions, as guests can access this room from the rear of the building. Why is this called The Union? Simply stated, back in Civil War days, the Union soldiers spent lots of time in this building!
- **ROOFTOP GARDEN TERRACE:** This is a great outdoor space, complete with a pergola, and is the perfect setting for just about any event! Tenting of various areas is an option.
- **CIRCLE SIDE GARDEN:** We're in the process of transforming this space, but for right now, it is a simple space that can be tented for any type of outdoor celebration!
